Model: HW-NM-4

Enclosure Pole Mounting Kit - 1-1/4 to 2 Inch Diameter Poles

## Features

- Stainless steel materials for environmental protection
- Mounts securely to enclosure
- Integral pole grips to prevent rotation and secure mounting
- Heavy-duty U-bolts to secure to pole
- Compatible with SS hose clamp strap for use with large diameter pipes and poles as well as irregular shaped mounting poles (safety cables recommended)

## Applications

- Remote site installations
- Solar installations
- Security system installations
- Harsh and corrosive environment installations
